

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with triumph and disaster
And treat those two impostors just the same;

## THE ROAD NOT TAKEN

Two roads diverged in a yellow wood, And sorry I could not travel both And be one traveler, long I stood And looked down one as far as I could To where it bent in the undergrowth;

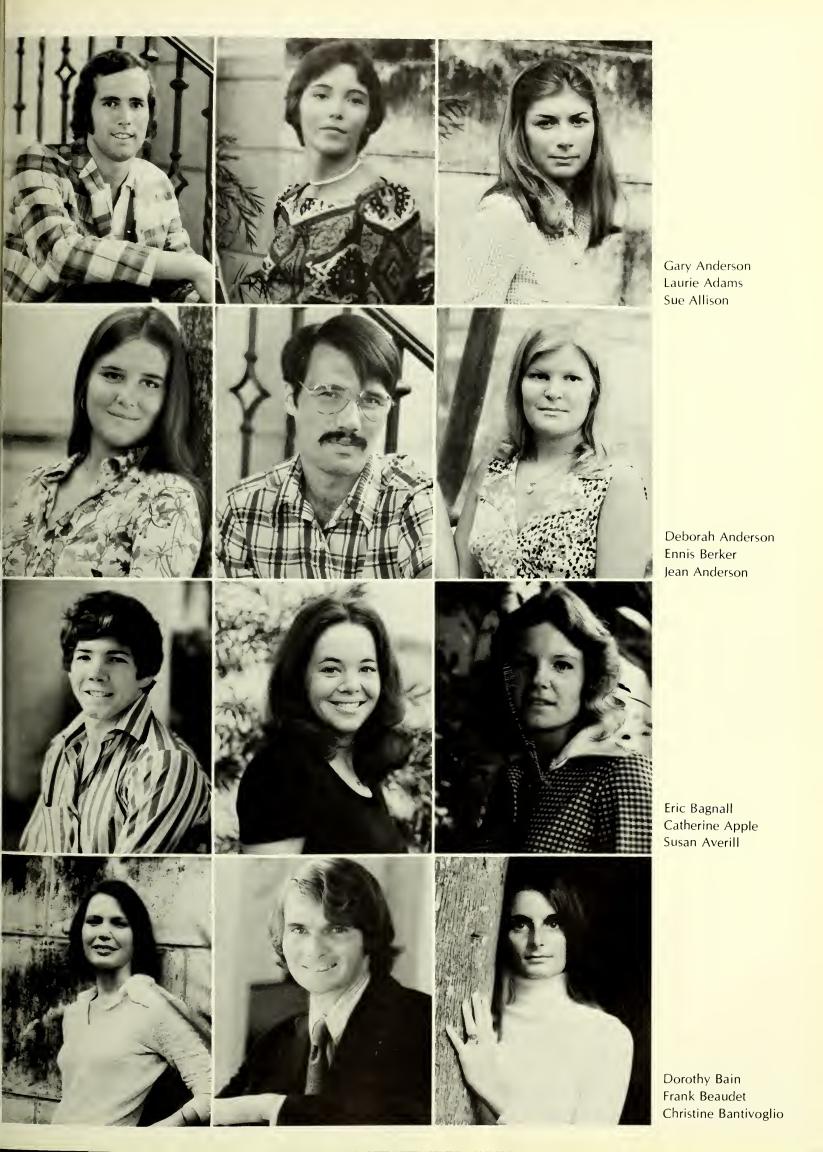

Then took the other, as just as fair, And having perhaps the better claim, Because it was grassy and wanted wear; Though as for that, the passing there Had worn them really about the same,

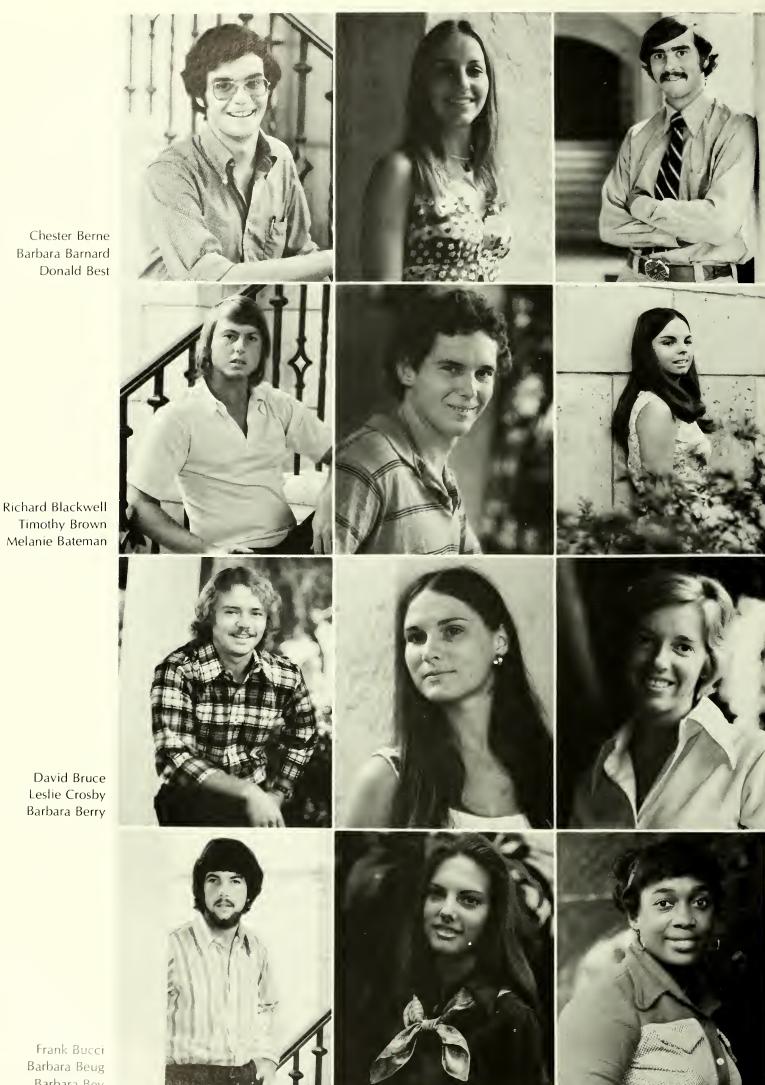

And both that morning equally lay In leaves no step had trodden black. Oh, I kept the first for another day! Yet knowing how way leads on to way, I doubted if I should ever come back.

I shall be telling this with a sigh Somewhere ages and ages hence: Two roads diverged in a wood, and I-I took the one less traveled by, And that has made all the difference.

Whose woods these are I think I know. His house is in the village, though; He will not see me stopping here To watch his wood fill up with snow. My little horse must think it queer To stop without a farnhouse near Between the woods and frozen lake The darkest evening of the year. He gives his harness bells a shake To ask if there is some mistake. The only other sound's the sweep Of easy wind and downy flake. The woods are lovely, dark, and deep, But I have promises to keep, And miles to go before I sleep, And miles to go before I sleep.

The Phi Mus took on a new image this year and cleaned up their act. Chunky, the Bailiff and the 1973 Follies were replaced by Chuck (does it vibrate?), Mom and the 1974 Follies. The sorority was plagued by an abundance of seniors . . . it seemed they were behind everything . . . Sister A tried to tend the flock with her rod - now there must be something better to do with a rod! Thy rod and thy shaft shall comfort thee . . . ask the wop. A new rock was in the making but our "swinging single" sister deklined . . . Between B. J., Mary Ann, Beug, Debbie, Sue and Anna alot of wedding bells seem to be ringing! Sally and Liza have perfected their rendition of "Where the Boys Are" Wight Sally? Wong! . . . Shoe whistled "On Wisconsin" while stealing home but there was some debate as to whether she was safe . . . Sharon took care of the umpire . . . Many cried Wolf this year and there was an answer to all ... We kept Pulling but the door was Jacked ... Lenore (Laverne?) and Betty almost burned down the house but the merely suffered from smoke inhalation. Sneath then beat us all to the chapel one morning as she met her hangover in the bushes of the chapel courtyard . . . I guess it was just another Tequila Sunrise, Nancy . . . The Hole in the Fox Gang was re-instated his year and came off with a real bang. Besides cats and perverts at the windows, they chose a theme song, 'Rally around the Flag Boys," fondly named after their greatest caper. Remember boys, X marks the spot!. Bissett cried Coochie Gucci when she turned her car into a baby carriage . . . Raising hell with foxes is more iun than raising Phi Delt children . . . Hackett carried her Shield over to the X-Club and was Smitten by a nice young man . . . How do you like it Hunt? Ala carte or Ala gator? Miss Hadley, do you always sip mint julips while playing with tennis jocks in the moonlight? Itching her way through the year was Hurd . . . now what was t she was itching for?... Hergert ate mental cookies while Baggo ate her piece of wood... Virginia, what has Alex taught you about his organ? . . . Steve tried to light C. C.'s fire but was called out by the Winter Park fire department . . . Still spirits were high and on top of it all was Mom, out token Alpha Phi, in her never ending quest for MAX. Beug, will the keys to that M.G. also get your Mystery Meat out of cold storage? . . . B. J. played ambulance driver several times with Diana as her co-pilot — it's a good thing Chuck wears glasses! . . . Diana says that Rollins has about as much action as a French convent  $\dots$  Mary Ann will vouch for that — now she doesn't even get it on the weekends  $\dots$  Lolo was fortunate enough to have two rooms on the first floor —  ${
m a}$ pedroom and a reading room . . . We hated to see Doris swing out of here in December but she'll be much pappier making movies up North . . . Darby was Crocked for another year . . . Jean took a rush course in cooking this fall... Marsha, we never did see that signature from the Club Juana... Abbie joined the night owl club this year singing "Twinkle, twinkle, little toe." ... Is that how it goes, Abbie?... To our twenty six new pledges we will our spirit and the courage to use it, "thus keeping sacred the memory of those we have loved and lost." Best of luck!

### CHI OMEGA

This year brought new experiences and changes to the house. Corrin Hall seems to be the social center for the Phi Delta Theta Pledges, late-night frolics on the second floor, and roof visitors(?). The breakfast given by the pledges to the actives greatly surprised every one . . . Overall, we the actives of Chi O are very proud of our pledge class. Now, a few highlights of the year.

Katie N. —"Noise" I wonder what prank I can pull now? She gave up her "Wit" when she was hit by the "Car". Our new "Pres" Little Willy.

Nancy G. — "Nanner I'm soo-oo embarrassed. I'll never drink again. I just had to buy it, really it was a great sale.

Jo G. — Moonshadow, you all. She has mastered Reverie on her Bugle. Kath and I are just good "friends". The weekend — yeah! Get Loose!

Kathy Cameron — Have you heard of a surprise breakfast in Hooker "Hall"? Kath, you really should spend more nights in the Chapter Room. — "Working on the Checkbook" she learned a little about "Harpooning" in the Keys.

Robin J. — "Tool". She "Ranks" With Gary. We always hear her howl at midnight. Where were you during the breakfast, Robin? It was "Excellent"

Lana Goode — "Mrs. G." Don't you think you "Over-rushed" into your married life?

But . . . we couldn't have done it without you.

Beth L. — One Fiddler on the Roof was enough, but two more was too much. "Personally" speaking, what do you think of the X-Club? In the "Huddle"?

Patti Desisto — "Coach" Is baseball your game: Patti, do you train Tom like you do the

pledges? Song leader — hoo cha, don't you like it? Kathy Y. — "Yode" Color my World red, white, and black. Is it really true that Italians

have hot blood? What's in Alabama? Claudia — "Claud" How many Psychiatric patients do you have anyway? Those Rumba dancers are all alike.

Gail S. — Foxy lady — two heads are better than one? Just what is involved in the theatre?

Pam F. — "Just forget it, I'm in love" Sea World. Have we got a man for you, Pam. Basketball?

Kitty — Does your southern accent give you a "Benettfit" over the northern girls? Yall wait, next year, I will be a cracker jack tennis player and will have new "developments".

Carla — "Carlotta" her "Wit" has gotten considerably better, but Katie's hasn't. Red eyes, again, Carla? Better check your "Contacts".

Elissa — her greatest desire is to dance with Fred Astaire. Now that she's out of the "Huddle", she is "Marked".

Sherry — What are you doing with Elliot Dahling after hours? McDonalds is my place.

Karen B. — Shy . . .? She gave Santa Claus the Dec. issue of Playgirl Magazine. Elaine — "Mad dog" show us how you dance. "It's only an infatuation this time." Cat

Elaine — "Mad dog" show us how you dance. "It's only an infatuation this time." Cat noises with the Lambdas?

Hope — "Hopester" — you are just the queerest! What is reality Hope? She's been "Bobbing" around in a "Mass" of people.

Dejon — "Spic" Is Puerto Rico closer to "Cuba" or "Kentucky"?

Leslie — Mexico, it is my kind of place. Memories of Sweetbriar.

Katie C. — All-nighters — what are they? Think I'll go to Yale — Steven, Right! — Reach out and touch someone new.

Lea Anne — Can we get serious?! I am your pledge president, don't hate me for it . . . Southern accent?

Karen E. — How many kids do you want? Mom for the Chi O's.

Linda Dale — Do you "Saab" for Daniel — Club Juana(?) Cameron could believe it.

Robin R. — Colorado Dreamin', What's going on here? This school is hard!

Carol A. — She's always "Ronning away on the weekends. 4'10 and a Long Island accent.

Lucy — "Hootchie" — another Frederica Astaire. I'm right in the "core" of things.

Wendy — "The Phantom" Welcome to Hoot Hall. Miss Farquar and the bird.

K. Heffernan — Think I'm shy? I'm so glad to know you, you don't know . . .

Lynn — "Bart" you're really groos at times — tennis anyone. There's a new day dawning — prepare yourself.

Linda DeBevoise — "D" as in ————. outer space in her mind. What's going on here?

### NCM

NCM really surprised a lot of people this year: we now have 4 members instead of 2! Seriously, we are steadily growing and the future is looking better and better. We even participated in intramural softball and finished next to last... If it hadn't been for Adele and her referee we would have taken last place. Our parties have been for the most part huge successes. Diane is not only general of our meetings and backgammon wizzard but also our head wine connossieur. Where is Annie?

She said she would come. Basic.

Pam M. is flying half the time — half?!

"Betty" and "Joan" are still cranking the ice cream machine.

Sue M. has become an apprentice to a certain guild.

Sally has changed her tastes from lifeguards to soccer players, from football stars to tennis jocks . . .

Sue has found her favorite fruit to be a plum.

Anne B's favorite pastime is SMACKing those doritos and sipping those potent Latin concoctions.

Wendy is the only female jogger knows all the frats . . . "there she goes"

Jan's our stereo queen of the year.

Beth — our Bahama Mama — friend of the aardvark — would never miss the Pink Panther!

And Kate the "Teen Goddess" has found her fun to be at home, on campus, and in the pool halls!

Andrea — she's a joker; she's a midnight toker, and X marks the spot — the *Plough* Chris — those cans of Sego are looking a little musty.

Caroline — "What's my mattress doing on the wall?" "It's FABulous."

Pam W. is our Foxy lady.

Barbe M. is our Security Guard's Best Friend; she was "trouble" at the Union.

Barb Krusman is NCM's part time New York extension.

## X-CLUB

The 1973-74 academic year brought to the X-Club many new insights of its members. This was, in fact, due to played only a minor role in preventing all hell from breaking loose. The year officially started in the middle of the many harrowing experiences of daily life. Induced by Captain Cullifer's memory, the new insecurity force August, when many an unsuspecting traveler happened to visit the infamous "ward" in the basement of a Long In the form of Crummer Graduates, they continued their pursuits of deans and celery. President Ebner, who was to be to his liking, but fairways he never hit. John Bennett played cat and mouse in the south this year, but don't worry John, we know you're still a Yankee at heart. Dave Boone and his younger brother Scott, became MUP in Summer training camp ended on an optimistic. We could forget those nights in the ward. With the desire to field an teetotaling defiance. Found dancing on balconies at many an odd hour, Doder could always find the right explanation. Christie, torn apart by the departure of Kid Rick, began hustling with a clean slate. The greens he found their fields also. The football team was amazed at the Bugle's wheels. He came in a jeep, a pinto, and left many opponents flatfooted. B. Boyle, while studying anthropology, obtained a primate behavior. Even with a boulder in impressive intramural schedule and outstanding social events, Low and Smitty felt that old obligation to be present. later to be replaced by Regan, began the year with a talk reminiscent of Gnute Rockne. The Bryan Avenue Bears, broke his oar in the eight man shell yesterday. Sorry David! Randolf Carleé continued his Sandspur eminence and Island residence. It became evident to all, that what was to follow would surely indicate a "dog eat dog world" with Morrison and some other Kid, made many an attempt an issue of contempt. That kid, we have been informed

Gary Lickle progressed from a sky diver to a mini-bus driver, but with Scott Morrison, made many an adventure to the sea floor. Jim, the little bag; frizzy; buzzy; wallace; James; Norris invented, with some guy, a version of bongollito basketball. LeRoy added a new touch to the Sunday mornings. Joel made news campus wide by first lady, an alumni drive, and Doug Jacobs. Elliot Sheftel masterminded many a late night union caper with a Faber adopted the Maxwell Smart award for broadcasting. Fabrizio was forced to assume a Smokey the Bear diversions on the subject of subjects. Scrambled eggs and jelly. Worthless Ed brought to the X-Club administration a the forehead, he found his wheels a little de-tuned! Old man Burrus — this is college not a retirement home! Doc complex, while John Seavey became sergeant at arms. Bobby Hicks made the President's list, as well as Margot's. variety of barks. Miks ("thank you and thank you") Leppe gets rookie of the year for his many outrageous wins at Hi becoming a bench mark for endurance. Disguised as a night student, Bob Coons bewitched us all with a shot (hurd) round the world. Special thanks go out from the Club to Hugh McKean, Steak and Brew, Bob Johanne, Steak and Brew, Jay Wood, Facts Fass, Howey, Boris', FBI, John Champagne, Alberta, and Eta Bita Pi. This was the year of "the rookie," the Cruiser Club, Alberta, the red eye after serious drizzles, Rentge's Shaft and his lampshade award, Herman's Hermits, a yard of beer, and Boog's monetary birthday present.

Now for the individual honors. Blalock was stumbling around A&P where he spoke in a poetic but drunken manner, "At A&P we won't stop trying until you say WEEEEEEE!" Kennedy "can't seem to get off" so he switched from tomatoes to spaghetti.

Simons in a scene from the Pancake House after a drinking marathon; Waitress: "Would you gentlemen like some coffee?" Simons: "God damn straight we would and dues ahr due!"

Boog and Shep would move on to greener pastures to pick up their milk-bearing dates for the evening, who could be found next to Piggy Blalock's pen. What can After eating out peanut butter from the Rookie's leg, Foxy would resume training for the Incredible Crepitation Contest. Boscoe Harmer has now completed his soon to be released hit film, "King of the Munchkins" co-starring McPartland's little boys. The gay boys, Knoll, French, Michael, Grant, and Brzozowski, all seem to make the parties in high spirits, but where are the girls guys? As Sig Ep quarterback, Watson was known for making passes at spaghetti and meatballs. For his award-winning performances during chapter meetings, we proudly present Whitley with the Oscar — Oscar Metudi that is. After a little therapy at the Hospital, be said about Jamie, the poet laureate, except that he has found a Biggers crack in her wall at Athens. And Doc flamed on.

D. B., The Duck, Groucho, the Fart King, or however you may know him will be remembered for swinging gavels through glass and as a final fling be found in the mouth of the only girl on campus who laughs like Popeye Reeves. At his last poker encounter, Kid Donohue was the proud winner of two pots, the his sleep ''Yes I dooo!'' Squirrel Eggert has found a new movie star . . . John Wayne Clay. While Dowd was contemplating other airborne plans, his propeller could was playing hard to get with the women this year but could always be found chugging his yard of beer. Doc's mouth will be used at the next Olympics for the attempting to find a new Haas to ride. Tommy Newton: "What's on TV? Who's that? Who's here? I wanna beer! Uh! Uh!" Archie could be heard muttering in kitty and Pinball Mary. The other returning veteran was the notorious Schenectedy Stosh Miller whose favorite drink seemed to be "Looseness Delight." Ducky eternal flame.

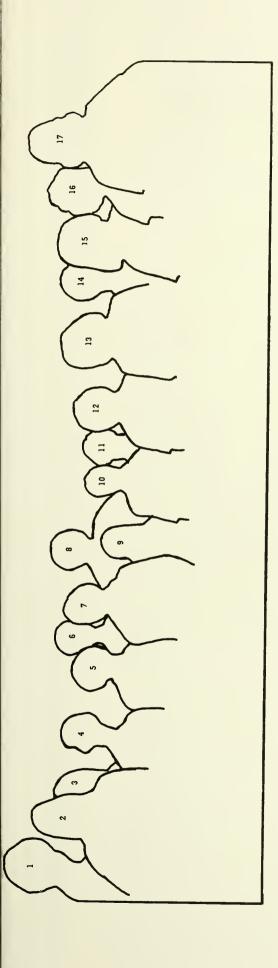

lacksonvill, flicks, study hall, and the Lincoln. Stu would rally Doc for a party, play "In the Mood," sing "Hail to the Redskins," cut Rentge to shreds, and tell the house about the redeye. And Doc flamed on. Daiger took a break from the action and retired to D. C. only to return to woo the women with the Trans Am in living Bru, you are scum; you are degenerate. Bralich and Burton have something in common . . . they both have Liz Taylor. Danowitz found out this year that the we tell when Ponce was in the midst of something but we do know he lost his hairlip in the deal. Reed will be remembered for Russia, vodka, Russian vodka, only thing he could mount was his new bike. Dan, which is it, Holt House or Pitcher House? Race, what's the cruising altitude to Palm Beach? Due to his pony tail, up to his epithet, B. D.

Lastly, our beloved Rentge . . . who will ever forget his Ed Sullivan imitation, the pants on the doorknob in the hall, or the butter splattered in his face at the Pancake House. You definately deserve the lampshade, Shaft.

And special thanks to our little sisters for their tremendous help and good times. Jill could neither have had a better group nor have done a better job. That also goes for Popeye Reeves, John Wayne Clay, Side-Mouth Sue, and Skinny Lynny. And Doc continues to flame.

Pledges, you are insignificant, so pay your dues. 409.

Individuals come and go, but a hard core of dedicated members always seem to be around to brighten and enliven our college atmosphere. We attempt to be progressively oriented in all areas and for the most part are successful in this endeavor as far as we are allowed to be. At any rate, we try to contribute our share to student life at Rollins by developing friendly, interested people with a wide Adams returned to finish up his Rollins career this year and has become a fanatic in the study of Mark Solter returned to our ranks this winter determined to rise early (in the afternoon) and "rive a varisty of individuality always evident. Van Burnham moved off campus and lives high in a large apartment complex. Jeff Richwagon maintains a relaxed attitude and remains sure he'll be right no matter what comes his way. #### The Continuing Saga of the KA Infidels

This year A. Hunt Marckwald was written up in Guinesses' Book of Records for logging more hours in a water-bed than any other human. Hunter Mange also complained of water-bed sores. Michael Perry finally gave Rollins a true touch of class by purchasing an ultra-high powered '68 Dodge Port. At time of printing Mike was seriously contemplating having Dodge written in bold letters on the side of his auto. Maybe baby shoes to hang from the mirror? Uncle Bob started a physical therapy clinic for various young ladies in need of counseling. Eggplant continued to be obnoxious in meetings while Shylock was the same on the playing field. Steve Spahr wrote the most outrageous voluntary remarks while Geoff wished he didn't. Heilmann did have an interesting Fall Term. P. C. became a mystery man, consequently what can I say? Tits joined Sigma Nu and was the recipient of the Hunt Marckwald Outrage Award for three consecutive weeks. D. J. Korchmar was voted best dressed man in Rex Beach by the Third Floor crew. Nice Shoes Mike! Corn Dog and Chico Collins were hosts to a multitude of activities. It even began to snow heavily at one point. Hearthrob Hadley was found collecting golf balls Mid-Florida muttering, "I think I'll have another." Jamie Smacknamara had a perpetual grin which made people wonder what was wrong. No one taught Smack how to get pissed off. Lollypop still swears he was on the bench, but he and Finch were really on the bald side. Luther Wiles insisted on being cheap (but not as cheap as Don Best). Hal "Ronny" George plans on becoming head of the Beanery employing only rogues and vagabonds. Dog found that crabs are found places other than Cocoa and New Smyrna. Rumor has it C.C. realizes this also. Corn Dog!!!! R. Spencer bought a new toy so he can journey to and from his Cocktail Acres retreat. Chapter Two — the neophyte whale dung lying on the bottom of the ocean. President Tino (a true Latin American) is having trouble with English, but is able to get his message across in his own dialect. Bonefish Williams reminds us of a young horse on the soccer field while Rueben Pierce reminds us of a soccer player. Gordo poses as a chef, cooking at the Acres with a young lady. El Greco seems to be commuting from Miami Beach. Tim will challenge Hadder Man as to who will be next year's Hearthrob. Tino and Sharp smash cars while stealing gas. Kaltenborn is a Nazi . . . and Bart won't shut up. There is the Baboon Act with trainer Kris Pigman. Jones tried to save the basketball team, but Lollypop and Siegel blew it for him. Everyone laughed when Pud lit his pipe. Larry Corning was the biggest hobo in Palm Beach. Finally, Stuart showed that KA was Southern, and Ward showed it had class. P.S. Sloan was this year's KA Rose.

The stalwart band of brothers of Phi Delta Theta were united in their valiant efforts to stay loose. In sports, we fielded competitive teams in both tennis and football. In spite of G.A.W. (George, Automatic Warning), we took the soccer championship for the second year in a row.

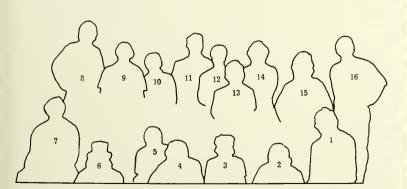

Typical nasty weather, wanna ----

Well, what can you say about Orlando Holsberg and his "joint" bank account with Kris, the closet queen. Hudgins romance with Jeff "frenzeled" out at the end. Hud, the village idiot, is Bailing himself out of his present affair. Bob is now our resident gemologist specializing in "Rocks", no Tuna, not that kind. Mac, sleeps all day, smokes all night, and has a piece of Candy before hitting the rack. Whales blow water out of their spouts, "Wells," whale who blew your spout. Brillo — Sam Whiton Luvz Karlla Mulans. Chris — Crazy, Muhammad Ali, All-American Streaker, The Peoples Choice, Astro; he's a hell "U. Va." guy. Jeremy — Well ah, ok now, well fine, now Luh, do you bowl? George alias Wally "The Streak" Whipple — Hadley wants to know about the night (3/8/74) our knight in shining armor spent on the 4th floor of the Kappa House with his harem and his sister. Bruce was Duped into frequent weekend excursions by his insurance agent, and now we know, "he's in good hands". Mark — from the outer reaches of Neptune came strange signals which say "Mark pitches his strikes slowly, but gets his balls off quick." Tar buckled under a heavy load this fall, but he has now returned to be "nursed" back to health by his neighbor. Sandy went to D.C. for Winter term with Roses on his mind and came back with a thorn in his paw. Larry — "Limp, lan Limp! If your coaching record doesn't improve substantially, they'll get your other leg too." Greg — Viva el Jefe.

Well, what can we say about the greatest pledge class we've ever had, even though they could never do anything right. Look at all they did, they introduced the 4th floor to the W.P. police, the escorted McCormick to the Cocoa Beach Police Station, and were so weak in their defensive fornifications that we got in the house within 5 minutes.

B.F.E., we know who pulled the fire alarm.

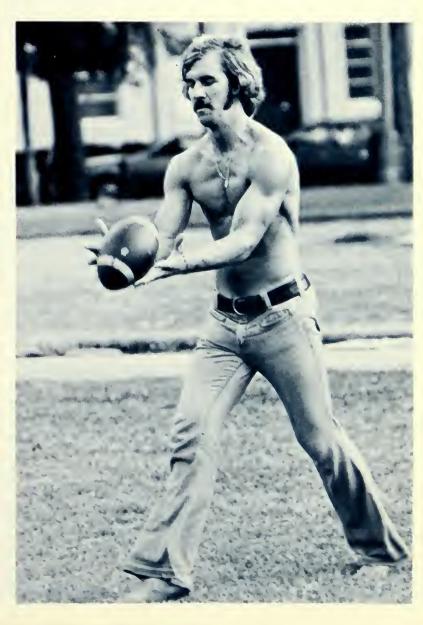

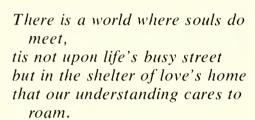

There is a destiny that makes us brothers None goes his way alone; All that we send into the lives of others Comes back into our own.

W. Rinder

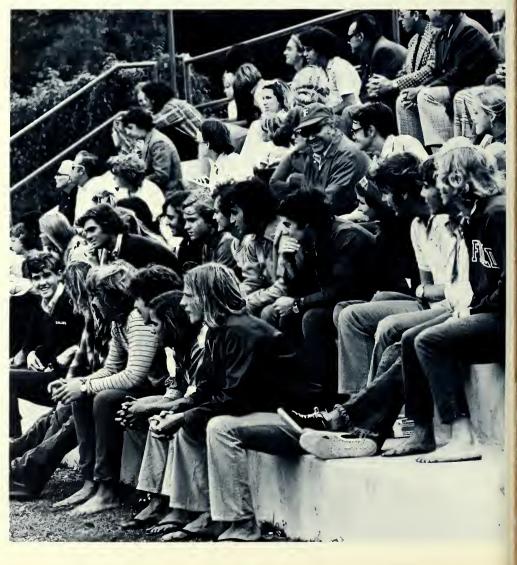

All our actions take their hue from the complexion of the heart.

We are haunted by an ideal life
And it is because we have
within us
the beginning and
the possibility of it.
Phillips Brooks

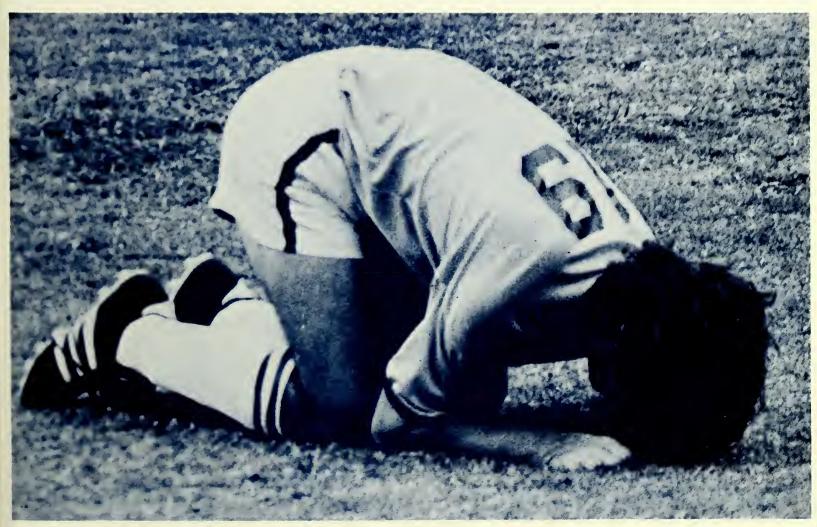

If at the end one can say, "This man used to the limit the powers that God granted him; he was worthy of love and respect and of the sacrifices of many people, made in order that he might achieve what he deemed to be his task," then that life has been lived well and there are no regrets.

Life . . . without knowledge is like a tree without blossoms knowledge without understanding is like blossoms without seeds. W. Rinder

Climb to the threshold of your own beliefs, not with the statements of others, but with the footsteps of your own experience.

W. Rinder

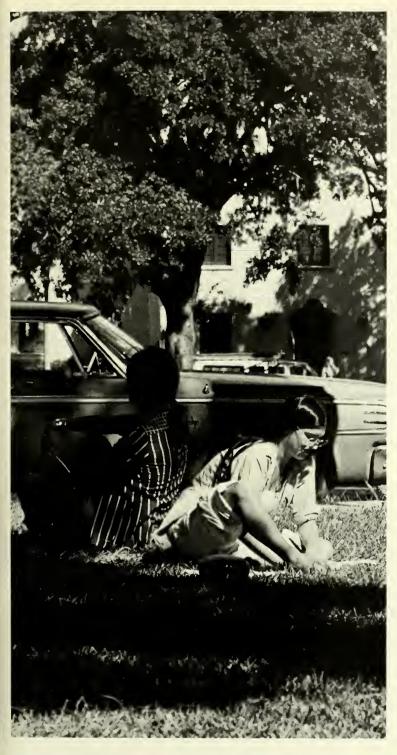

If any of us are to become teachers, I believe a true teachers gift, is to guide a man's discovery of himself. In truth, we can only give what we have discovered for ourselves.

W. Rinder

The highest reward for man's toil is not what he gets for it, but what he becomes by it.

Reputation is what you have when you come into a new community; character is what you have when you go away.

The circumstances amid which you live determine your reputation; the truth you believe in determines your character.

Reputation is the photograph; character is the face.

Reputation is what you are supposed to be; character is what you are.

The heart asks more than life can give,
When that is learned,
then all is learned.
Sara Teasdale

Let every dawn of morning be as the beginning of life, and every setting sun to you as its close; then let every one of these short lives leave its sure record of some kindly thing done for others, some goodly strength or knowledge gained for yourself.
